

Oakley Regional Park Master Plan

Community Open House #2

July 19, 2023

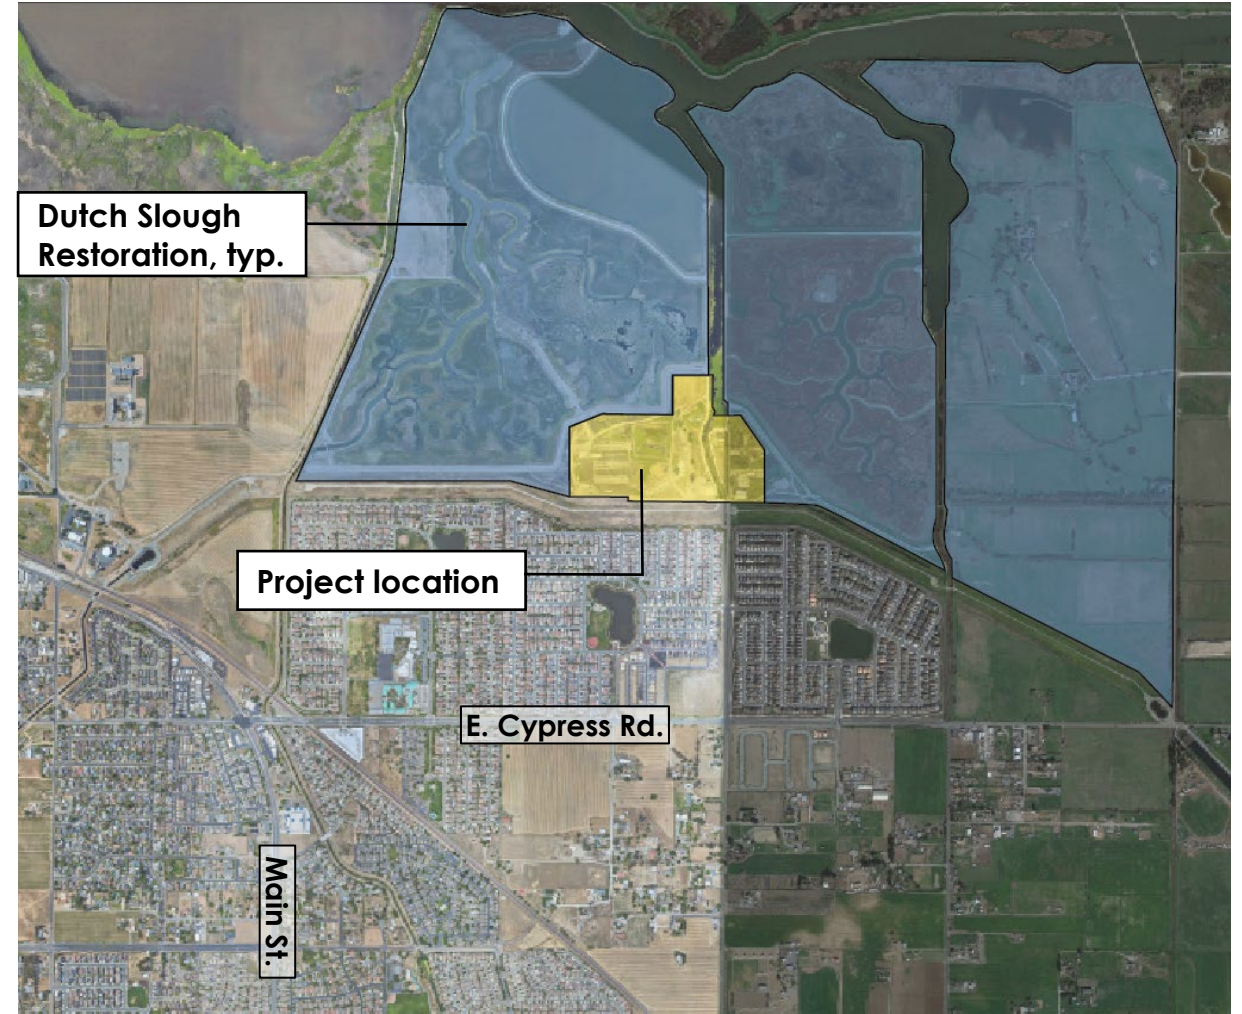

Meeting Purpose

- Project Background
- Project Goals and Objectives
- Previous Efforts
- Project Process
- Master Plan Alternatives

Project Background

Since the previous master plan was completed in 2019, the City has continued to grow, recreational needs have continued to change and the construction of the Dutch Slough Tidal Restoration project, including the levee system adjacent to the site, has been completed.

Existing Conditions

Existing Conditions

Project Goals & Objectives

- Listen to and engage critical stakeholders and the overall community early and throughout the process to identify potential programmatic elements and build a consensus for a park vision.
- Develop a master plan to help guide future park improvements that maximizes potential opportunities for grant funding and provides opportunities for partnerships to reduce costs and maximize programming.
- Others?

Previous Efforts
